

Member Engagement Programming

Whether you're new to the region, mid-career, or a seasoned professional, the Partnership offers a range of programs exclusive to members designed to support your professional growth and deepen your engagement with the business community.

GREATER HOUSTON LEADERSHIP INSTITUTE

The Partnership's leadership programs accelerate the growth of high-potential professionals through immersive experiences, cross-industry networking, and access to Houston's top business minds. From building foundational skills to stepping into senior leadership, these programs prepare you to lead with impact in the region and beyond.

- **Houston Energy Leadership Cohort**
A 10-week program offering mid-career energy professionals advanced leadership training, exclusive access to top executives, and insights into Houston's role as the Energy Capital of the World.
Application and additional fee required
- **Houston Young Professionals and Entrepreneurs (HYPE)**
Exclusive networking and leadership development for early- and mid-career professionals shaping Houston's future.
Additional fee required
- **Women on the Rise**
Skill-building, leadership workshops, and connections to top business and community leaders for high-potential women.
Additional fee required

PUBLIC POLICY

Gain direct access to policymakers and participate in discussions that shape the future of the Houston region.

- **Future of Texas**
Engage elected officials on key issues shaping Houston's future, from innovation to resilience.
- **Washington, D.C. Fly-In**
Advocate for Houston's priorities with federal leaders in the nation's capital.
- **Women in Government**
Connect with female leaders in government and celebrate the impact of women driving change.

TALENT AND WORKFORCE

Strengthening Houston's talent pipeline is key to long-term success, and our programs provide insights and resources to help you lead the way.

- **Opportunity at Work Series**
Practical, peer-driven conversations uniting employers, educators, and leaders to expand access to opportunity and meet workforce needs.

OTHER OFFERINGS

Gatherings open to all members to facilitate connections and foster active engagement in the Partnership. All events listed offered bi-annually.

- **B2B Networking**
Structured events to spark business relationships and expand your network across industries.
- **Bayou City Bio Pulse**
Highlighting the innovation powering Houston's life sciences sector through rotating events that connect leaders, researchers, and entrepreneurs driving discovery across the 12-county region.
- **Membership 101**
A crash course in the Partnership's work and how to maximize your membership.
- **Pop-Up at the Partnership**
Timely sessions delivering fast insights on emerging trends and policy issues.
- **Regions**
Localized conversations on economic growth, industries, and leadership across the 12-county Houston region.

GREATER HOUSTON **PARTNERSHIP.**
