The Partnership at a Glance

MESSAGE FROM OUR LEADERS

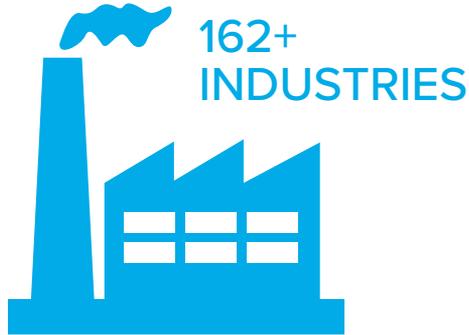

“

Houston's strength lies in its ability to innovate, collaborate, and grow, and the Greater Houston Partnership sits at the center of it all. Together with our members, we are shaping the region's future by driving economic growth, strengthening our workforce, and addressing the challenges that matter most to our community. Your involvement fuels meaningful progress, helping Houston thrive as the best place to live, work, and build a business.

Steve Kean
President and CEO

Armando Perez
2026 Chair

12-COUNTY
REGION

WHAT WE DO

- Promote economic development
- Advocate for sound public policy
- Convene and engage leaders for impact
- Equip leaders with research and economic insights

Why Membership Matters: Your Impact, Your Opportunity

When you join the Greater Houston Partnership, you're joining a coalition of leaders shaping the future of the Houston region. Together, we drive growth, spark innovation, and create opportunity for all.

Convening & Impact

Collaborate with Houston's most influential business and community leaders to advance initiatives that strengthen our region. Be at the table for the conversations that matter most.

Business Connections & Programming

Build powerful relationships and sharpen your competitive edge through curated programs, leadership development, and industry-focused forums designed to accelerate your business goals.

Research & Insights

Leverage trusted economic data, market intelligence, and timely analysis to guide your strategy and stay ahead in an evolving business landscape.

As an active member of the Greater Houston Partnership, I've experienced firsthand the value it brings not only to individual professionals but to the organizations they represent. Through my involvement in HYPE, committee participation, and attendance at numerous events — including investing in expo booths to showcase our company, M3 Technology Group — I've built meaningful relationships, expanded our visibility in the Houston business community, and stayed informed on key regional developments. What makes GHP truly stand out is its ability to connect professionals across industries with purpose and intention. The programming is consistently insightful, and the networking opportunities are high-caliber, creating real opportunities for growth, collaboration, and impact. I'm proud to be part of an organization that is actively shaping the future of Houston while also fostering the success of its members. For any business or professional looking to be part of something bigger — to contribute to the economic vitality of our region while strengthening their own network and influence — I wholeheartedly recommend joining the Partnership.

Strategic Plan

PROSPERITY

Advance a strong, diverse economy through proactive economic development that attracts global investment and drives growth across key industries.

PEOPLE

Create inclusive opportunity and drive economic growth through integrated education and skills training that prepare Houstonians for high-demand careers.

PLACE

Build a resilient and vibrant region that enhances quality of life and supports economic success.

Houston Next: Advancing Opportunity drives the Partnership's work to position our region as a world-class hub for economic growth, innovation and quality of life.

STRATEGIC IMPERATIVES

To enhance our work to advance Prosperity, People, and Place, we place extra focus on two strategic areas.

TALENT AND ECONOMIC MOBILITY:

Position Houston as the global leader in talent development and economic mobility.

REGIONAL RESILIENCE:

Establish Houston as the most resilient coastal city in the world.

INITIATIVES: Driving Houston's Future

The Partnership's strategic initiatives are focused efforts within the organization that drive Houston's long-term priorities, uniting business, academic, and community leaders to address critical challenges and position the region for sustained growth and opportunity.

Houston Energy Transition Initiative (HETI)

HETI brings together Houston's industry, academic, and community partners to accelerate global solutions for an energy-abundant, low-carbon future. By leveraging Houston's strength as the Energy Capital of the World, this initiative positions the region at the forefront of delivering more energy with less emissions, by convening for impact, advocating for sound policy, communicating for economic development, and engaging communities.

Inclusive Leadership & Opportunity

This initiative galvanizes the business community to transform our region into a more inclusive place to live, work, and build a business. Through a network of more than 120 businesses, institutions, and nonprofits, this initiative drives progress with data-informed strategies, peer learning, and best practices, focused on creating access and opportunity through talent advancement and leveraging the business community's collective purchasing power.

UpSkill Houston

UpSkill Houston is a workforce development initiative that connects employers, educators, and community leaders to grow Houston's talent pipeline. The program supports both young adults navigating their first career steps and current workers seeking to upskill into higher-paying, high-demand jobs, ensuring economic mobility for individuals and long-term competitiveness for our region.

ENGAGE: Executive Engagement

Where Leaders Shape Houston's Future

Board of Directors

Comprised of top local executives from Houston's leading companies, the board provides strategic guidance, shapes organizational priorities, and advances the region's long-term success. Board members also enjoy exclusive access to regional and state leaders.

Invitation Only

President's Roundtable

Quarterly gatherings hosted by Partnership President & CEO Steve Kean bring together c-suite leaders (Senior Advisory Partner level and above) for candid conversations with board members and regional influencers. These intimate sessions provide insights on Houston's evolving business landscape and the Partnership's priorities.

Invitation Only

Executive Women's Partnership (EWP)

A premier network for senior female executives to connect with peers, explore business challenges, and exchange insights that advance leadership and shape Houston's business community. Participation is open to qualifying executives from member companies with \$100M or more in revenue.

Application and additional annual fee required.

Inclusive Leadership & Opportunity Exchanges

This offering convenes senior leaders to provide actionable insights on overcoming challenges, seizing opportunities, and building capabilities to drive meaningful change. Members participating are part of a community of innovators in talent, culture, and inclusive sourcing who are increasing opportunity and shaping our region's future.

Invitation Only

UpSkill Steering Committee

This diverse body of executives provides executive leadership to connect the supply with the demand for talent. Senior leaders from business, education, and nonprofit organizations involved in workforce development set priorities, align resources, and oversee connections across key sectors important to the Houston economy.

Invitation Only

ENGAGE: Committees

The Partnership's impact is powered by committees that bring together leaders and subject-matter experts to shape policies, identify solutions, drive innovation, and advance Houston's position as a global hub for business and opportunity.

PUBLIC POLICY ADVISORY COMMITTEES

Education: Strengthens Houston's talent pipeline from early childhood to higher education.
