

READYSETNEXT

POWERED BY PATHFUL

Discover what's next.

Ready Set Next is a personalized, AI-powered career navigation platform that helps people explore careers, education pathways, work-based learning experiences, jobs, and community resources.

Built for Houston by the Greater Houston Partnership and powered by Pathful, Ready Set Next connects the people, organizations, and opportunities driving the region.

Built for Houston

Opportunity Is Here.

Ready Set Next Makes It Easier to Navigate.

Greater Houston has world-class employers, education, workforce programs, and community organizations. But navigating those resources can be complicated.

Ready Set Next brings them together into one guided experience, moving people toward meaningful next steps.

One Connected Experience

Career Discovery

Career Exposure

Career Preparation

Job Matching

Career Growth

Career Success

Who It Serves

Students & Job Seekers

Explore personalized careers, education pathways, and opportunities.

Educators

Expand career guidance and strengthen college, career, and workforce readiness.

Employers

Connect with emerging talent, expand career exposure, and build stronger workforce pipelines.

Community Organizations

Help more people access education, employment, and essential support services.

What Ready Set Next Makes Possible

Personalized Guidance.

Recommendations tailored to each person's interests, strengths, and goals.

Connected Opportunities.

Career pathways, education, employers, work-based learning, and community resources come together in one experience.

Stronger Communities.

By connecting people with opportunity, employers with talent, and organizations with one another, we create a stronger Houston.

More Informed Decisions.

Clear information that helps people understand their options and build brighter futures.

A Stronger Regional Workforce.

Aligning people, employers, educators, and community partners around regional opportunity.

Join Us

Ready Set Next is being built alongside employers, educators, community organizations, and workforce partners across greater Houston.
